ASSIGNMENT

Ownership of any benefit provided under the Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

EFFECTIVE DATE AND TERMINATION

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: The Participating Unit pays the entire premium, your insurance will go into effect on the date stated on the Schedule of Benefits.

If you are not actively at work on the day your insurance is to go into effect, the insurance will go into effect on the day you return to active work for one full day.

TERMINATION OF INSURANCE: Your insurance will terminate on the first of the following to occur:

- (1) the date the Policy terminates; or
- (2) the date you cease to be in a class eligible for this insurance; or
- (3) the date the Participating Unit's coverage terminates under the Policy; or
- (4) the end of the period for which premium has been paid for you;
or
- (5) the date you enter military service (not including Reserve or National Guard).

CONTINUATION OF INSURANCE: Your insurance may be continued by payment of premium beyond the date you cease to be eligible for this insurance, but not longer than:

- (1) twenty-four (24) months, if due to illness or injury; or
- (2) twelve (12) months, if due to temporary lay-off or approved leave of absence; or
- (3) six (6) months, if due to a labor dispute.

If you cease to be eligible for this insurance because of a Labor Dispute, insurance will continue until the earliest of the following dates:

or
- (3) the date timely payments of premium are not made; or
- (4) the date the Labor Dispute ends.

“Labor Dispute”, as used here means a strike, lockout, or other labor dispute between the employer and you, during which time you are not paid by the employer.

CONVERSION PRIVILEGE

You can use this privilege when your insurance is no longer in force. It has several parts. They are:

- A. If the insurance ceases due to termination of employment or membership in any of this Policy's classes, an individual Life Insurance Policy may be issued. You are entitled to a policy without disability or supplemental benefits. A written application for the policy must be made by you within 60 days after you terminate. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:
- (1) The policy will, at the option of you, be on any one of our forms, except for term life insurance. It will be the standard type issued by us for the age and amount applied for;
 - (2) The policy will be for an amount not over what you had before you terminated;
 - (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and your age at date of policy issue; and
 - (4) Proof of good health is not required.
- B. If the insurance ceases due to the termination or amendment of the Policy, an individual Life Insurance Policy can be issued. You must have been insured for at least three (3) years under the Policy. The same rules as in A above will be used, except that the face amount will be the lesser of:
- (1) The amount of your Group Life benefit under this Policy. This amount will be less any amount you are entitled to under any group life policy issued by us or another insurance company; or
 - (2) \$10,000.00.
- C. If the insurance reduces, as may be provided in this Policy, an individual life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.

- D. If you die during the time in which you are entitled to apply for an individual policy, we will pay the benefit under the Group Policy that you were entitled to convert. This will be done whether or not you applied for the individual policy. If you die during the time you are entitled to apply for an individual policy and the benefit under the Group Policy is paid, the individual policy, if issued, will not be effective.
- E. Any policy issued with respect to A, B or C above will be put in force at the end of the 60 day period in which application must be made.
- F. If you are covered under a life insurance conversion policy previously issued by the Insurance Company, you will not be eligible for this Conversion Privilege unless the prior coverage has ended. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless that condition no longer affects the amount of coverage available to you.

NOTICE OF CONVERSION

- G. If you are entitled to have an individual policy issued to you without proof of health, then you must be given notice of this right within 15 days before or after the termination or reduction of your insurance. Such notice must be: (1) in writing; and (2) presented or mailed to you at your last known address by the employer at the last known address furnished to us by the employer. If you are given notice more than 15 days after the end of the 60 day period in which to convert, the conversion period will be extended. You will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by you to receive benefits at your death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date you sign it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If you name more than one beneficiary to share the benefit, you must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if you wish to change the designation. His/her consent is also not needed to make any changes in the Policy.

If the beneficiary dies at the same time as you, or within fifteen (15) days after your death but before we received written proof of your death, payment will be made as if you survived the beneficiary, unless noted otherwise.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, any benefits due shall be paid to the first of the following classes to survive you:

- (1) your legal spouse, legally recognized civil union/domestic partner;
- (2) your surviving child(ren) (including legally adopted child(ren)), in equal shares;
- (3) your surviving parents, in equal shares;
- (4) your surviving siblings, in equal shares; or, if none of the above,
- (5) your estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed \$1,000.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, we may pay up to \$2,000 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with your last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

- (1) is validly named; or
- (2) is appointed to receive the proceeds; and
- (3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

You may elect a different way in which payment of the Amount of Insurance can be made. You must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under \$2,000 or option payments of less than \$20.00 each are not eligible.

If no instructions for a settlement option are in effect at your death, the beneficiary may make the election, with our consent.

Settlement Options are described in the Policy.

We will continue your coverage and that of any Insured Dependent, if applicable, in accordance with the Participating Unit's policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

The Policy, while coverage is being continued under this Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While you are on a Family and Medical Leave of Absence for any reason other than your own illness, injury or disability or Military Services Leave of Absence you will be considered Actively at Work. Any changes such

as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective if you are not considered Actively at Work until you have returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in the Policy.

"Sickness" means illness or disease causing Total Disability which begins while your insurance coverage is in effect. Sickness includes pregnancy, childbirth, miscarriage or abortion, or any complications therefrom.

"Totally Disabled" and "Total Disability" mean, that as a result of an Injury or Sickness:

- (1) during the Elimination Period and for the first 24 months for which a Monthly Benefit is payable, you cannot perform the material duties of your regular occupation;
 - (a) "Partially Disabled" and "Partial Disability" mean that as a result of an Injury or Sickness you are capable of performing the material duties of your regular occupation on a part-time basis or some of the material duties on a full-time basis. If you are Partially Disabled you will be considered Totally Disabled, except during the Elimination Period;
 - (b) "Residual Disability" means being Partially Disabled during the Elimination Period. Residual Disability will be considered Total Disability; and
- (2) after a Monthly Benefit has been paid for 24 months, you cannot perform the material duties of any occupation. Any occupation is one that your education, training or experience will reasonably allow. We consider you Totally Disabled if due to an Injury or Sickness you are capable of only performing the material duties on a part-time basis or part of the material duties on a full-time basis.

If you are employed by the Participating Unit and require a license for

such occupation, the loss of such license for any reason does not in and of itself constitute "Total Disability".

GENERAL PROVISIONS

TIME LIMIT ON CERTAIN DEFENSES: After the Policy has been in force for two (2) years from its Effective Date, no statement made by you on a written application for insurance shall be used to reduce or deny a claim after your insurance coverage, with respect to which claim has been made, has been in effect for two (2) years.

CLERICAL ERROR: Clerical errors in connection with the Policy or delays in keeping records for the Policy, whether by the Policyholder, the Plan Administrator, the Participating Unit, or us:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

If appropriate, a fair adjustment of premium will be made to correct a clerical error.

NOT IN LIEU OF WORKERS' COMPENSATION: The Policy is not a Workers' Compensation Policy. It does not provide Workers' Compensation benefits.

WAIVER OF PREMIUM: No premium is due us while you are receiving Monthly Benefits from us. Once Monthly Benefits cease due to the end of your Total Disability, premium payments must begin again if insurance is to continue.

CLAIMS PROVISIONS

NOTICE OF CLAIM: Written notice must be given to us within thirty-one (31) days after a Total Disability covered by the Policy occurs, or as soon as reasonably possible. The notice should be sent to us at our Administrative Office or to our authorized agent. The notice should include your name, the Participating Unit's name, the Policy Number and the Participating Unit's Number.

CLAIM FORMS: When we receive the notice of claim, we will send you the claim forms to file with us. We will send them within fifteen (15) days after we receive notice. If we do not, then the proof of Total Disability will be met by giving us a written statement of the type and extent of the Total Disability. The statement must be sent within ninety (90) days after the loss began.

WRITTEN PROOF OF TOTAL DISABILITY: For any Total Disability covered by the Policy, written proof must be sent to us within ninety (90) days after the Total Disability occurs. If written proof is not given in that time, the claim will not be invalidated nor reduced if it is shown that written proof was given as soon as was reasonably possible. In any event, proof must be given within one (1) year after the Total Disability occurs, unless you are legally incapable of doing so.

PAYMENT OF CLAIMS: When we receive written proof of Total Disability covered by the Policy, we will pay any benefits due. Benefits that provide for periodic payment will be paid for each period as we become liable.

We will pay benefits to you, if living, or else to your estate.

If you died and we have not paid all benefits due, we may pay up to \$1,000 to any relative by blood or marriage, or to the executor or administrator of your estate. The payment will only be made to persons entitled to it. An expense incurred as a result of your last illness, death or burial will entitle a person to this payment. The payments will cease when a valid claim is made for the benefit. We will not be liable for any payment we have made in good faith.

ARBITRATION OF CLAIMS: Any claim or dispute arising from or relating to our determination regarding your Total Disability may be settled by arbitration when agreed to by you and us in accordance with the Rules for Health and Accident Claims of the American Arbitration Association or by any other method agreeable to you and us.

Unless otherwise agreed to by you and us, any such award will be binding on you and us for a period of twelve (12) months after it is rendered assuming that the award is not based on fraudulent information

and you continue to be Totally Disabled. At the end of such twelve (12) month period, the issue of Total Disability may again be submitted to arbitration in accordance with this provision.

Any costs of said arbitration proceedings levied by the American Arbitration Association or the organization or person(s) conducting the proceedings will be paid by us.

PHYSICAL EXAMINATION AND AUTOPSY: We will, at our expense, have the right to have you interviewed and/or examined:

- (1) physically;
- (2) psychologically; and/or
- (3) psychiatrically;

to determine the existence of any Total Disability which is the basis for a claim. This right may be used as often as it is reasonably required while a claim is pending.

We can have an autopsy made unless prohibited by law.

LEGAL ACTIONS: No legal action may be brought against us to recover on the Policy within sixty (60) days after written proof of loss has been given as required by the Policy. No action may be brought after three (3) years (Kansas, five (5) years; South Carolina, six (6) years) from the time written proof of loss is received.

ELIGIBILITY REQUIREMENTS: You are eligible for insurance under the Policy if you are a member of an Eligible Class, as shown on the Schedule of Benefits page.

EFFECTIVE DATE OF YOUR INSURANCE: The Participating Unit pays the entire Premium due for you, your insurance will go into effect on Your Effective Date, as shown on the Schedule of Benefits page.

The insurance for you will not go into effect on a date you are not Actively at Work because of a Sickness or Injury. The insurance will go into effect after you are Actively at Work for one (1) full day in an Eligible Class, as shown on the Schedule of Benefits page.

TERMINATION OF YOUR INSURANCE: Your insurance will terminate on the first of the following to occur:

- (1) the date the Policy terminates;
- (2) the date you cease to meet the Eligibility Requirements;
- (3) the end of the period for which Premium has been paid for you;
- (4) the date the Participating Unit ceases to be a Participating Unit under the Policy; or
- (5) the date you enter military service (not including Reserve or National Guard).

YOUR REINSTATEMENT: If you are terminated, your insurance may be reinstated if you return to Active Work with the Participating Unit within the period of time as shown on the Schedule of Benefits page. You must also be a member of an Eligible Class, as shown on the Schedule of Benefits page, and have been:

- (1) on a leave of absence approved by the Participating Unit; or
- (2) on temporary lay-off.

You will not be required to fulfill the Eligibility Requirements of the Policy again. The insurance will go into effect after you return to Active Work for one (1) full day. If you return after having resigned or having been discharged, you will be required to fulfill the Eligibility Requirements of the Policy again. If you return after terminating insurance at your request or for failure to pay Premium when due, proof of health acceptable to us must be submitted before you may be reinstated.

BENEFIT PROVISIONS

INSURING CLAUSE: We will pay a Monthly Benefit if you:

- (1) are Totally Disabled as the result of a Sickness or Injury covered by the Policy;
- (2) are under the regular care of a Physician;
- (3) have completed the Elimination Period; and
- (4) submit satisfactory proof of Total Disability to us.

Please refer to the Schedule of Benefits for the MONTHLY BENEFIT and OTHER INCOME BENEFITS.

Benefits you are entitled to receive under OTHER INCOME BENEFITS will be estimated if the benefits:

- (1) have not been applied for; or
- (2) have not been awarded; and
- (3) have been denied and the denial is being appealed.

The Monthly Benefit will be reduced by the estimated amount. If benefits have been estimated, the Monthly Benefit will be adjusted when we receive proof:

- (1) of the amount awarded; or
- (2) that benefits have been denied and the denial cannot be further appealed.

If we have underpaid the Monthly Benefit for any reason, we will make a lump sum payment. If we have overpaid the Monthly Benefit for any reason, the overpayment must be repaid to us. At our option, we may reduce the Monthly Benefit or ask for a lump sum refund. If we reduce the Monthly Benefit, the Minimum Monthly Benefit, if any, as shown on the Schedule of Benefits page, would not apply.

For each day of a period of Total Disability less than a full month, the amount payable will be 1/30th of the Monthly Benefit.

COST OF LIVING FREEZE: After the initial deduction for any Other Income Benefits, the Monthly Benefit will not be further reduced due to any cost of living increases payable under these Other Income Benefits.

LUMP SUM PAYMENTS: If Other Income Benefits are paid in a lump sum, the sum will be broken down to a monthly amount for the period of time the sum is payable. If no period of time is given, the sum will be broken down to a monthly amount for the period of time we expect you to be disabled based on actuarial tables of disabled lives.

TERMINATION OF MONTHLY BENEFIT: The Monthly Benefit will stop on the earliest of:

- (1) the date you cease to be Totally Disabled;
- (2) the date you die;
- (3) the Maximum Duration of Benefits, as shown on the Schedule of Benefits page, has ended; or
- (4) the date you fail to furnish the required proof of Total Disability.

RECURRENT DISABILITY: If, after a period of Total Disability for which benefits are payable, you return to Active Work for at least six (6) consecutive months, any recurrent Total Disability for the same or related cause will be part of a new period of Total Disability. A new Elimination Period must be completed before any further Monthly Benefits are payable.

If you return to Active Work for less than six (6) months, a recurrent Total Disability for the same or related cause will be part of the same Total Disability. A new Elimination Period is not required. Our liability for the entire period will be subject to the terms of the Policy for the original period of Total Disability.

If you become eligible for insurance coverage under any other group long term disability insurance plan, then this Recurrent Disability section will not apply to you.

- (1) Total Disability continues beyond discharge;

If, during a period of Total Disability due to Substance Abuse for which a Monthly Benefit is payable, you are able to perform Rehabilitative Employment, the Monthly Benefit, less 50% of any of the money received from this Rehabilitative Employment will be paid until: (1) you are performing all the material duties of your regular occupation on a full-time basis; or (2) the end of twenty-four (24) consecutive months from the date that the Elimination Period is satisfied, whichever is earlier. CONTINUITY OF INSURANCE COVERAGE PROVISION

Continuity of insurance coverage will be allowed for you if you would not be entitled to full coverage under the Policy upon changing carriers due to:

- (1) failure to be Actively at Work on the effective date of the Policy with respect to the Participating Unit; or
- (2) a Pre-existing Conditions Limitation.

This provision will apply only if you were insured under:

- (1) the prior carrier's policy on its termination date; or
- (2) any policy of a later acquired employer which changed insurance carriers.

EFFECT OF FAILURE TO BE ACTIVELY AT WORK: This provision allows insurance to be granted under the Policy to you if you were Totally Disabled on or after the Effective Date of the Policy with respect to the Participating Unit.

The insurance will be that provided under the prior carrier's policy. This insurance is subject to premium payment. The insurance we will pay is the benefit the prior carrier would have paid under their policy reduced by any amount for which the prior carrier is liable.

Insurance provided under this provision will end upon the earliest of:

- (1) the date the insurance would end according to the Termination of your Insurance provision;
- (2) the date you return to Active Work and become insured under the Policy; or
- (3) the end of any period of extension or accrued liability under the prior carrier's policy.

EFFECT OF A PRE-EXISTING CONDITIONS LIMITATION: The following will apply to you if you are Actively at Work and insured under the Policy when a Pre-existing Condition is involved:

- (1) if you have satisfied the Policy's Pre-Existing Conditions Limitation, then you will be paid according to the Policy;
- (2) if you cannot satisfy the Policy's Pre-existing Conditions Limitation, we will then apply the prior carrier's Pre-existing Conditions Limitation. If you satisfied the prior carrier's Pre-existing Conditions Limitation, giving consideration towards continuous time insured under both policies, then you will be paid according to the prior carrier's policy; or

- (3) if you cannot satisfy the Pre-existing Conditions Limitation of:
- (a) the Policy; and
 - (b) that of the prior carrier;
- then no benefit will be paid.

When you have satisfied the Pre-existing Conditions Limitation under the Policy, even if during a period of Recurrent Disability, then the Monthly Benefit will be paid according to the Policy.

The number of Monthly Benefit payments will not cease if you return to Active Work. We will pay a benefit to your Survivor when we receive proof that you died while:

- (1) you were receiving Monthly Benefits from us; and
- (2) you were Totally Disabled for at least ninety-one (91) consecutive days.

The benefit will be an amount equal to 6 times your last Monthly Benefit. The last Monthly Benefit is the benefit you were eligible to receive right before your death. It is not reduced by wages earned while in Rehabilitative Employment.

A benefit payable to a minor may be paid to the minor's legally appointed guardian. **EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL
LEAVE ACT AND UNIFORMED SERVICES
EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)**

Family and Medical Leave of Absence:

We will continue your coverage in accordance with the Participating Unit's policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

- (1) the premium for you continues to be paid during the leave; and
- (2) the Participating Unit has approved your leave in writing and provides a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

- (2) the end of the leave period required by any similar state law, as amended.

Military Services Leave of Absence:

We will continue your coverage in accordance with the Participating Unit's policies regarding Military Services Leave of Absence under USERRA if the premium for you continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

The Policy, while coverage is being continued under the Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While you are on a Family and Medical Leave of Absence for any reason other than your own illness, injury or disability or Military Services Leave of Absence you will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective if you are not considered Actively at Work until you have

returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in the Policy.

Your coverage will cease under this extension on the earliest of:

- (1) the date the Policy terminates; or
- (2) the end of the period for which premium has been paid for you; or
- (3) the date such leave should end in accordance with the Participating Unit's policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA. Coverage will not be terminated if you become Totally Disabled during the period of the leave and are eligible for benefits according to the terms of the Policy. Any Monthly Benefit which becomes payable will be based on your Covered Monthly Earnings immediately prior to the date of Total Disability.

Should the Participating Unit choose not to continue your coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, your coverage will be reinstated.
