## Notes:

- Certain drugs require pre-authorization approval to obtain coverage.
- Supply limits for certain drugs may be different, go to Anthem website or call customer service.
- This Summary of Benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this Summary of Benefits. This Summary of Benefits, as updated, is subject to the approval of the California Department of Insurance and the California Department of Managed Health Care (as applicable).
- When using non-network pharmacy, members are responsible for 50% of the prescription drug maximum allowed amount & costs in excess of the prescription drug maximum allowed amount. Members will pay upfront and submit a claim form.
- For additional information on this plan, please visit [www.sbc.anthem.com](http://www.sbc.anthem.com) to obtain a "Summary of Benefits and Coverage".
- In Network and Non Network pharmacy deductibles are combined. Satisfying one helps satisfy the other. Pharmacy deductibles are included in the annual out-of-pocket maximums.
- Coordination of Benefits: The benefits of this plan may be reduced if the member has any other group health or dental coverage so that the services received from all group coverage do not exceed 100% of the covered expense.

# Your summary of benefits

- Drugs which have not been approved for general use by the Food and Drug Administration. This does not apply to drugs that are medically necessary for a covered condition. Drugs to eliminate or reduce dependency on, or addiction to, tobacco and tobacco products. This does not apply to medically necessary drugs that the member can only get with a prescription under federal law.
- Drugs used primarily for cosmetic purposes (e.g., Retin-A for wrinkles). However, this will not apply to the use of this type of drug for medically necessary treatment of a medical condition other than one that is cosmetic.
- Anorexiant and drugs used for weight loss, except when used to treat morbid obesity (e.g., diet pills & appetite suppressants). Drugs obtained outside the U.S., unless they are furnished in connection with urgent care or an emergency
- Allergy desensitization products or allergy serum.
- Infusion drugs, except drugs that are self-administered subcutaneously. Herbal Supplements, nutritional and dietary supplements.
- Formulas and special foods for the treatment of phenylketonuria (PKU).
